Sir,

Your No. 8133-4/Ml. 324-11-12 of the 3rd May 1912, for -warding to me extracts of a communication addressed to His Highness the Maharaja of Mysore by the Hon'ble Messrs. Charlton relating to Drinking water troughs and requesting me to place the question before the City Municipal Council and to submit suitable designs etc.

With reference to the above, I have the honour to submit that this question was, after obtaining designs from the Water Supply Division, finally brought before the Municipal Council on the 29th ultimo, when the designs were all approved and it was resolved that these water troughs be built in the 31 places

-ntinued-

noted in list A, and ~~that~~ in 7 of them as noted in list B, - these cattle troughs be of an ornamental nature

The offers of Mr. Banamiah to build all the Stone - troughs required and of Mr.Vardhamaniah to build two ornamental troughs have been accepted with thanks.

The designs received from the Executive Engineer - Water Supply and stores for ornamental troughs with their - estimates have been submitted herewith for favour of approval by Government.

I have the honour to be,

Sir,

Your most obedient servant,

Sir,

Current file before under despatch

In inviting kind reference to my No. 120 dated 27th. December 1913 forwarding lists of Cattle troughs to be provided - in the City, I have the honor to state that the ornamental trough near the Railway Ukkad is of great urgency and necessity, consider--ing its proximity to the Railway Station and in the interest of traffic passing to & fro the Ukkad . The Agent of the Burma Oil Company, who has agreed to construct this trough, has again - been pressing for formal sanction to put the work in hand. I therefore request that the question may be kindly placed before Government & their final orders communicated to me at an early - date.
